July 01, 2019

Effective July 1st, 2019, Homestead Schools will apply early implementation of the Rescission of the Gainful Employment Rule.

According to the Electronic Announcement dated 06/28/2019, "institutions that early implement the rescission of the GE rule will not be required to report GE data for the 2018-2019 award year to NSLDS, which will be due October 1, 2019. Additionally, those institutions that early implement will not be required to comply with the current
